Applying for student flats is free

StudentKolding is a free platform where you can apply for all student flats in Kolding.

You only have to pay for a membership in the housing association you get a flat in.

The housing associations handle contracts, keys, payment etc.

The campus area

There are more than 1.200 flats for students in Kolding. Most of them are located in the center of Kolding in walking distance from the campus area.

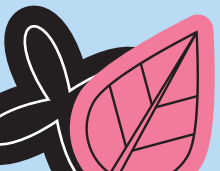

Around 400 new student flats have been built near the campus area since 2015.

When can you move in?

You can move in three months before the start of your studies, and you are allowed to stay three months after you have completed your education.

It is possible to stay for a year after your studies have ended in some of the flats.

You can move in on the 1st or 15th of each month.

Prices (excl. utilities)

1-room 1.400 – 4.400 DKK
2-room 2.500 – 5.800 DKK

You can apply for housing benefits at Udbetaling Danmark. Housing benefit is a grant that you can apply for, to help pay your rent.

Nice to know

Students from abroad have the highest priority on the waiting list.

The more flats you add to your application, the sooner you will receive an offer for a flat.

There is a list of available flats at our website.

Only apply for flats you can afford.

The flats are not furnished. You can find a list of second-hand shops in Kolding on our website **studentkolding.dk**.
