

Mindy Sherwood

President – North America and Chief Sales Officer

Mindy leads P&G's North America business, the Company's largest and most profitable region, accounting for more than 50% of net sales. Her organization serves 385 million consumers in the U.S., Canada and Puerto Rico, including sales and go-to-market strategy, brand building, human resources, IT and supply chain for the region. Mindy has also served as Chief Sales Officer since 2021, leading strategy and capability for P&G Sales across all regions and categories to deliver a superior retail experience for shoppers and value and growth for P&G and our retail partners.

Since joining P&G, Mindy has held numerous roles spanning retail customers of all sizes, as well as categories and geographies.

Mindy is a champion for building and leveraging high-performing, end-to-end organizations. She is passionately involved in creating an inclusive culture that serves all consumers, advocating for holistic wellbeing, and developing people to deliver breakthrough results.
