

Valarie Sheppard

Controller and Treasurer
Executive Vice President, Company Transition Leader

Valarie Sheppard leads P&G’s global Finance, Accounting and Treasury team, responsible for the external financial reporting, financial planning, global business development and treasury operations for company businesses and operations in about 70 countries, with annual sales of more than \$65 billion. She is also leading the global implementation of P&G’s new organization design, the most significant restructuring initiative in 24 years.

Since joining P&G as a tax analyst in 1986, Valarie has held varied roles within the company, including finance and accounting positions in Fabric Care, Home Care and Beauty businesses, both in the U.S., and internationally. She is passionate about supporting opportunities for women to excel at P&G, as the executive sponsor of the Finance organization’s Global Women’s Network.

Outside P&G, Valarie is a board member of the Federal Reserve Bank of Cleveland and Anixter International, Inc. She is also dedicated to supporting innovation in the Cincinnati, Ohio community as board chair of Cintrifuse, an organization that connects the region’s start-up companies to advice, talent, funding and customers.
