

How to identify ICE & CBP

ICE

Immigration & Customs Enforcement: primarily locate, detain, and deport undocumented immigrants, often targeting individuals in homes, workplaces, and communities.

Both ICE and CBP agents:

- Wear street/ casual clothes.
- Bulletproof vests.
- Often carry firearms, handcuffs, radios, and other law enforcement tools.
- When conducting raids or enforcement actions, they may wear helmets, gloves, and protective gear.

CBP

Customs & Border Protection: monitor and control U.S. borders, inspecting goods and people entering the country, while enforcing immigration laws and policies.

How to Identify ICE & CBP Vehicles

CBP

- Blue on the sides.
- Tinted windows.
- US Customs & Border Logo.
- Lights on top of car.
- CBP uses white SUVs, pickup trucks, vans, and ATVs, boats and aircraft.

ICE

- Green on the sides.
- Tinted windows.
- Lights on top of the car.
- ICE uses SUVs, sedans, or vans, often white, black, or neutral-colored.

- Can be CBP or ICE.
- Tinted windows.
- May be "unmarked" or have no license plates.
- May have lights on top of car.

PROTEGIENDO A LA COMUNIDAD DEL TERROR DE ICE Y LA POLICÍA

¿COMO IDENTIFICAR LOS VEHICULOS DE ICE?

- 1) ICE opera en la madrugada;
- 2) Utilizan vehículos de marcas estadounidenses;
- 3) Utilizan placas normales, a veces no tienen placas o tienen los cartelones de los concesionarios de vehículos;
- 4) Tienen vidrios polarizados y a veces se logra ver rejillas;
- 5) Siempre hay una persona en los vehículos y operan en pares.

Ordinariamente ICE utilizan los siguiente tipos de vehículos:

Ford Explorer, Dodge Durango, Dodge Caravan,
Dodge Charger, Chevy Impala, Chevy Silverado,
Chevy Tahoe, Ford Edge

PROTECTING COMMUNITIES FROM ICE & POLICE TERROR

HOW TO IDENTIFY ICE VEHICLES?

- 1) ICE usually operates in the pre-dawn early mornings hours;
- 2) They use U.S. made cars;
- 3) Usually have regular license plates (not-CA exempt), at times no license plates or dealership placards;
- 4) They use ultra dark tinted windows; and have police railing in the rear passenger area.
- 5) There is always an agent in the vehicle, and usually operate in pairs.

Ordinariamente ICE utilizan los siguiente tipos de vehículos:

Ford Explorer, Dodge Durango, Dodge Caravan,
Dodge Charger, Chevy Impala, Chevy Silverado,
Chevy Tahoe, Ford Edge

ICE Unmarked Cars

ICE agents drive unmarked vehicles

(without license plates, or with new plates without numbers)

- These cars almost always have tinted windows
- American brand cars such as Ford, are most commonly seen

For more information call
888-624-4752

Autos Sin Placas De ICE

Los agentes de ICE conducen vehículos sin marcar (sin placas o con placas nuevas sin números)

- Estos autos casi siempre tienen vidrios polarizados.
- Los autos de marca estadounidense como Ford, se ven con mayor frecuencia
