

US CONFERENCE & VISIT

February 10-22

SYNERGIZE 2024 Conference

Orlando, Florida

It was such an honor for myself as well as Dr. Alguire and Mrs. Bachie to be part of the SYNERGIZE 2024 Conference, thank you Heart For The World Church!

Together we were encouraged by missionaries and pastors around the world with the same heart to "go into all the world and make disciples of every nation". Not only were we spiritually encouraged, but we also made new connections, friendships and partnerships that we look forward to continuing to grow together in the mission.

It was extra special to be around family and church family who are so precious to us. There is nothing quite as wonderful as being with dear family and friends worshipping Jesus together and praying together with many tongues and tribes that every heart would know the fullness of the love of Christ. It was truly a great privilege to be a part of Synergize 2024.

Our trip continued with a quick weekend visit to Texas as we were privileged to some of our wonderful partners and pray together and encourage one another with the testimony of God's goodness. We look forward to continuing to offer mission trips to Cebu (please let us know if you want to come visit too!) and invest in sharing Jesus to families of Glory Reborn Cebu.

Thank you churches, pastors, faithful supporters and members for faithfully partnering to bring health and hope and encourage our team and families alike. It is such a beautiful picture of the global church at work in unity together and we feel so honored to work together for this great mission.

"May the God who gives endurance and encouragement give you the same attitude of mind toward each other that Christ Jesus had, so that with one mind and one voice you may glorify the God and Father of our Lord Jesus Christ."
Romans 15:5-6

MOMMY EXERCISE & WELLNESS

As part of our Healthy Moms program, Glory Reborn values investing in health education classes during prenatal checkups. This month we were so honored to have Sasha, a Doula from Canada, lead free back-to-back sessions of prenatal and postnatal exercises to our moms and their babies! Thank You, Sasha!

Here are some feedback from moms:

"It was my first time to experience prenatal exercises, and I felt so relaxed, it was a stress-reliever."
- Mommy Aileen

"It helped relieve tensions in my body! So nice for pregnant moms like me."
- Mommy Tanya

"I didn't expect that I could do relaxing and fun exercises with my baby. Thank you Ma'am Sasha and Glory Reborn!"
- Mommy Cath

PLANETSHAKERS CONCERT

Glory Reborn sponsored half of the ticket cost for the staff ❤️

"I've been listening to Planetshakers since 2018. Out of all the worship bands I've heard, they're the only ones who play upbeat music. I usually listen to them on YouTube and Spotify. I've always wanted to experience their live worship because it feels different when the original band leads. I've always hoped they would come to Cebu one day.

When they announced a concert in Cebu on Facebook, my sister and I quickly bought tickets. We're living our dream after years of just streaming Planetshakers on Spotify and YouTube waahhh!!! Praise God!!! I made sure not to go just because of the hype. Instead, I prayed that God would reveal Himself to me during the event, especially with the theme "Show Me Your Glory."

One highlight was when the pastor invited people to accept Jesus as their personal Lord and Savior, then it started raining and I felt a message from God about repentance and cleansing.

I remembered the verse about - there will be more rejoicing in heaven over one sinner who repents than over ninety-nine righteous persons who do not (Luke 15:7). Afterward, the rain literally stopped!! I felt God's presence even more. It was a powerful moment. Indeed, God showed me His glory. God is so good! It was an amazing night filled with singing, worshipping, and celebrating the name of Jesus, the name above every name!" - **Glory Reborn Staff Jhuryne**

A MESSAGE FROM HILARY

From worship in the nation of the Philippines all the way across the globe worshipping with nations gathered together praying for the nations, the heart of the Father is beating for each and every precious life.

As we have the honor of praying over babies in the womb to blessing them at the moment of their birth and dedicating these lives back to the Father, I can hear the heartbeat of praise, of God's glory being re-born in the nations!

I am so encouraged to hear the report of our ministry team that 209 mothers in the month of February alone went through our ministry room for prayer and counseling. Hallelujah! I am so grateful that the Lord would use us to witness His great love for each life.

Together with YOU, we give thanks for what God has done and continues to do globally as well as here in Cebu. Without your valuable partnership, these lives and hearts would not have been reached. Thank you for bringing Healthy Moms, Healthy Babies and Hopeful Hearts with Glory Reborn this month.

Love,
Hilary
