

What an honor it is to share with each of you the incredible work in new lives and hearts in 2022!

On behalf of the Glory Reborn team in Cebu, we wholeheartedly Thank YOU for partnering with us. Together we are carrying out our vision to build a community through care, education, and relationship with mothers and employees to see God's glory re-born. We are witnessing and eager to share with you the report of Healthy Moms, Healthy Babies and Hopeful Hearts in Cebu, Philippines in 2022.

HEALTHY MOMS

Mom Testimonies

"During the baby party, they prayed over me, my husband, and dedicated our baby to the Lord. It was the first time my family experienced that."

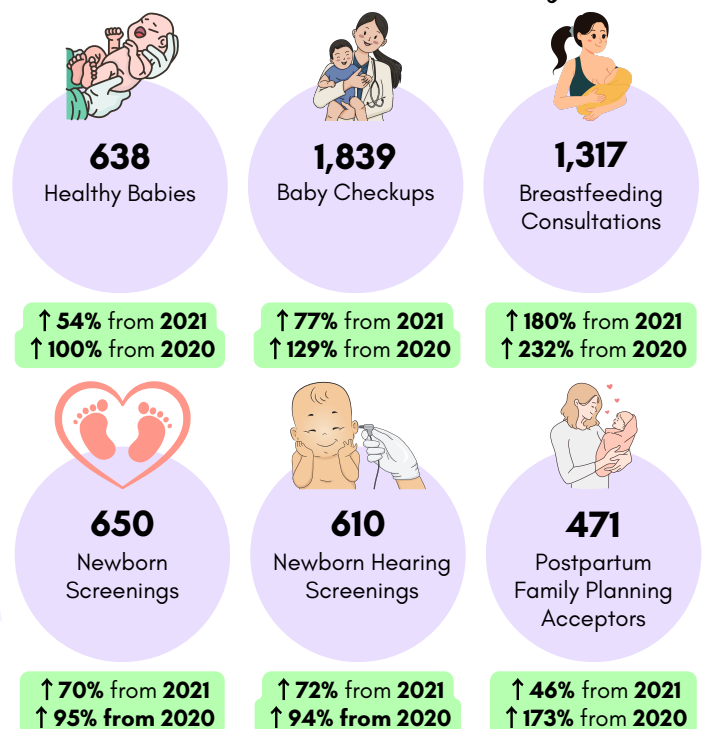

Thank you Glory Reborn for caring for our spiritual welfare, and taking time to give a spiritual talk and encouragement to my husband along with other dads."

- Mommy Rob

"God is so good that I came to know about Glory Reborn. My pregnancy journey was not easy. I had complications, but with Glory Reborn's close monitoring during prenatal check-ups and consultations that were all free, my pregnancy became better, and all my worries vanished. The teachings and seminars made me more confident." - Mommy Richel

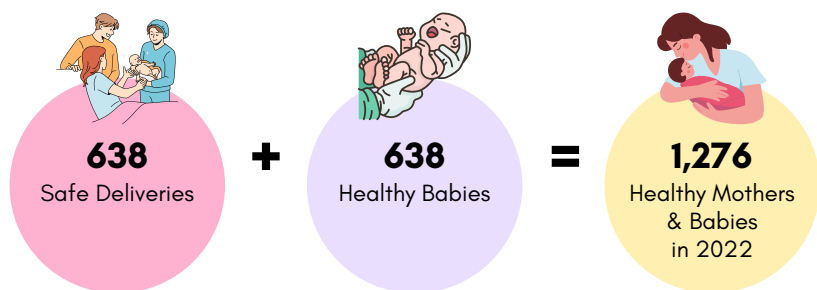

HEALTHY BABIES

"My first baby died 10 months after I gave birth at a different hospital. I went through depression. A few months later, I became pregnant the second time, and I went to Glory Reborn because I heard great feedback from other moms."

"The first time I visited, I felt immediately at ease because I saw how they treated each mom and baby with love and care. My baby is healthy, and they made me ready and positive about being a mother again."

- Mommy Zam

Total Safe Deliveries: 5,955 (2003-2022)

"I have become its servant by the commission God gave me to present to you the word of God in its fullness— the mystery that has been kept hidden for ages and generations, but is now disclosed to the Lord's people. To them God has chosen to make known among the Gentiles the glorious riches of this mystery, which is Christ in you, the hope of glory." **Colossians 1:25-27**

HOPEFUL HEARTS

At the heart of Glory Reborn is our desire to reach the communities around us in greatest need.

In 2022, more than 50% of our patients were in the most marginalized sector of society, below the poverty line, while 40% were living at or just barely above the poverty line.

The Philippine poverty line was reported at P12,030 per month for a family of five*, or a monthly income of USD\$219 for a family of five.

Glory Reborn believes that every mother, baby and family should have access to complete, quality, holistic maternal and newborn care regardless of their socioeconomic status.

In addition to in-house assistance, the Glory Reborn Social Work program was also active in the community through our outreaches, visiting patients in need, assisting in rebuilding patient homes (destroyed in Typhoon Rai), providing assistance for mothers and babies who needed more advanced hospital care, and began developing our maternal mental health program in partnership with the Peace Corps.

Thank you for not just believing this with us but for enabling us to provide health and hope to this beautiful and valuable community of mothers and babies in Cebu.

"I cannot help but cry because of how Glory Reborn has been so kind to us. Thank you so much for helping us rebuild our house. Now my family can finally sleep well after Typhoon Rai.

If not for you, we don't know where we would be right now, we would not have a place to call home."

- Glory Reborn Mom

Midwife Nhing & Social Worker Mary Ann on home visit after Super Typhoon Rai

"I am so thankful because Glory Reborn makes me feel valued. Even though I have no fare for commute, I will walk to the clinic because I know how they care for me and my baby in the womb. I feel thankful and happy that they visited me in my home, even though it is very small. Thank you so much for sponsoring me." -Sponsor-A-Mom Beneficiary

MINISTRY & TEAM DEVELOPMENT

This has been an incredible year of ministry at Glory Reborn. In 2022 our partnership with local and international churches brought great encouragement to the mothers and families that we minister to.

We were blessed to have Bible School students sharing the Gospel to families in the waiting area and to continue offering prayer to each of the mothers coming for clinical services. The mothers are deeply grateful for the prayers and sharing offered by our staff, partner churches, partner pastors and ministry leaders during their checkups.

We were honored to witness so many hearts accept Jesus this year and distribute over 100 Cebuano Bibles as we continue to celebrate the miracles of new life we witness each and every day.

"I asked one of the staff, although it was not a serious question, if I could ever handle trials in life. To my surprise, she encouraged me and told me to lift it up to the Lord. He knows everything, and He will guide me. I was touched. When I came back for a check-up, I made sure to tell the staff that what she said was true." - GR Mom

"I was deeply moved by the Bible sharing and prayer. I had goosebumps, and felt something I could not describe, I could not help but cry being reminded how loved I am by Jesus Christ.

The anxieties I had about having a baby living on very little income, was turned into peace." - Mom Joy

Glory Reborn is so thankful for our team of 56 employees who are truly the active hands and feet of Jesus in providing care, compassion and the hope of the Gospel.

Thank you for investing in our incredible team through staff retreats, leadership training, continuing education, daily Bible studies, weekly prayer and worship together, all while providing each of them with quality employment.

We have been so blessed and encouraged to grow together in God's word and see Jesus at work in our lives in a deep and personal way and encounter the Holy Spirit at work empowering, healing and bringing freedom and joy.

I thank the Lord for bringing each person on the team together, each one with their unique and perfect gifting, skills, knowledge, and passion which when HE puts us (that includes YOU) together we see the fullness of Jesus glory re-born.

STAFF TESTIMONIES

"Every daily glory hour helps me connect to God and to the Holy Spirit before I start my day at work, and I want to fill my Spirit first so that I can be effective in my service to my patient that I take care of on my whole shift."

-Glory Reborn Staff

"I was able to share the word of God to the husbands of the patients." - GR Staff

"My memorable moment (in 2022) was with our patient, I shared the good news of our Savior Jesus Christ with her."

- Glory Reborn Staff

"I did not know much about the Word of God until I became a part of Glory Reborn. Here my spiritual life is molded, and I got to know more of who God really is in my life."

One of the visitors from the US shared about breaking chains in life. I didn't know I had one until they prayed for me. I realized I had been carrying the chain of anger for more than a year after the death of my mother.

I was able to break that chain and reconcile with my family."

- Glory Reborn Staff

"I got to pray for a patient who was about to be transferred. She came back for a baby check-up and expressed how thankful she was, feeling no fear in going to the hospital because she knows people are praying for her." - Glory Reborn Staff

Thank you for your faithful partnership, prayers, support! Our hearts are overwhelmed with gratitude to you and to the Lord as we end 2022 and look with great excitement into 2023!

Daghang salamat!

Love,
 Hilary

2022 FINANCES

Your incredible, faithful and generous donations of over \$550,000 made it possible to ensure marginalized mothers and babies received quality health and hope filled hearts in 2022. Thank you so much!

LOOKING FORWARD TO 2023

We are excited for what 2023 will bring for Glory Reborn as we continue to grow, enhance our programs, expand our territory and continue to share the hope of Jesus in Cebu.

Most importantly, we are excited about what Jesus is doing in our team and through our team. We are eager to continue following Jesus and sharing His love, life and hope with the women coming to Glory Reborn and the communities we partner with.

In 2023, we aim to continue increasing the number of women (both pregnant and non-pregnant) and babies receiving access to Glory Reborn's quality care. We also look forward to enhancing and strengthening our partnerships in the community both in the public and private sectors.

With this growth we are believing for an increase in our annual budget for 2023 of \$850,000.

We are very excited to celebrate Glory Reborn's

**20th YEAR
 ANNIVERSARY
 in August 2023!**

We are delighted to invite YOU to be a part of the celebration.
