

The CHIME Organizational Leadership Membership (OLM) program allows you to provide the CHIME experience to your entire team! Your team members can benefit from targeted education, professional development, and networking activities designed specifically for their roles and areas of expertise.

Each participating team member for your organization needs to be qualified via our eligibility parameters based on roles and responsibility, and placed with their appropriate membership level.

CHIME offers a pricing model to fit any organization's budget and needs; from small, independent hospitals to large corporate entities with multiple regional CIOs.

**PRICING\***

<b>Tier 1</b>	<b>5-9 team members</b>	<b>\$2,750</b>
<b>Tier 2</b>	<b>10-14 team members</b>	<b>\$4,950</b>
<b>Tier 3</b>	<b>15-24 team members</b>	<b>\$7,150</b>
<b>Tier 4</b>	<b>25-35 team members</b>	<b>\$9,350</b>

**OLM Membership has been a fantastic opportunity for many of our organizations' leaders to participate in CHIME, growing their network, expanding their professional development, and participating in industry events and programs they did not have access to before.**
