INACTIVE/ZERO BALANCE ACCOUNTS

If your account remains inactive, meaning no customer-initiated transactions, for a term of 3 months and during that time your account also falls to a zero balance and remains there, the Bank reserves the right to either keep the account open or close the account without further notice.

CHANGES IN NAME AND CONTACT INFORMATION

You are responsible for notifying us of any change in your name, address, or other information we use to communicate with you. We will attempt to communicate with you only by use of the most recent information you have provided to us. Account owners must have a primary U.S. address at all times in order to maintain a deposit account with LendingClub Bank.

HOW INTEREST IS EARNED ON YOUR ACCOUNT

Daily Balance Computation Method -- We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the principal in the account each day. Your account earns interest on the entire account balance each day at the interest rate and annual percentage yield in effect for the appropriate balance tier. Accrued interest is credited to the balance in the account on the last business day of the statement cycle. We use a monthly statement cycle. Accrued interest that is credited to the balance in the account begins to earn interest no later than the next business day and compounds with each statement cycle.

If you close your account before accrued interest, if any, is credited you will receive the accrued interest.

The following chart shows the annual percentage yield ("APY") and interest rate effective as of 6/17/2025. Interest rates and the annual percentage yield are variable and are subject to change without notice at any time, at the sole discretion of the bank.

Balance to Earn Interest	Interest Rate	APY
\$0.00 - \$2,499.99	0.00%	0.00%
\$2,500.00+	1.00%	1.00%

LEVELUP CHECKING REWARDS AND ELIGIBILITY

LevelUp Checking offers the opportunity to earn cash back on everyday debit card purchases and on-time payments made from your LevelUp Checking account to your LendingClub loan.

To qualify for LevelUp Checking Rewards:

- 1. Receive a Direct Deposit into your LevelUp Checking account during the month in review (an “Eligible Account”); and**
- 2. Meet the qualifying requirements outlined below for the Debit Card Cash Back and/or Loan Payment Cash Back**

Direct Deposits are defined as: Recurring Automated Clearing House (ACH) credits, including payroll, pension or government payments (such as Social Security) made by your employer or an outside agency. Direct Deposits do not include peer to peer payments, transfers from one account to another, cash advances, ATM deposits, or wire transfers. Transaction codes are set by payor and business-business, and business-to-contractor may be excluded.

DEBIT CARD CASH BACK

Debit Card Cash Back provides the opportunity to earn 1.00% cash-back on purchases from Eligible categories when using a debit card tied to an Eligible Account (as defined above).

Eligible Categories include grocery, gas, and pharmacy, as defined by their Merchant Category Code (“MCC”). The MCC are assigned by merchants based on the types of products and services they primarily sell. MCCs are not assigned by LendingClub. A merchant, or some of the items sold by a merchant, may seem to fall within an Eligible Category; however, the MCC may not fall into the Eligible Category. Purchase determinations are based on the MCC that LendingClub receives in connection with a particular transaction.

The following purchases are not eligible to receive cash back: 1) any goods or services purchased that are returned or otherwise credited to your Eligible Account; 2) unlawful purchases. Additionally, purchases of currency, cash or cash equivalents (including, without limitation, gift cards, prepaid debit cards, or other cash equivalents) may not qualify for cash back.

From time-to-time LendingClub reserves the right to modify Debit Card Cash Back earning opportunities through expanded MCC codes and/or cash back percentages, on a temporary basis, in support of LendingClub promotional campaigns.

LOAN PAYMENT CASH BACK

The Loan Payment Cash Back provides the opportunity to earn 2% cash back on Qualifying Payments made electronically from a Rewards Checking account with a Qualified Direct Deposit.

Qualifying Payments are: On-time monthly loan payments made electronically from your Rewards Checking Account with a Qualified Direct Deposit. Any payment received after the due date is not eligible for cash back. Payment amounts in excess of the monthly payment amount are not eligible for cash back. The monthly payment amount can be paid in multiple payments, as long as the full amount is received prior to the due date. The full monthly payment amount must be paid from a single Rewards Checking Account; payments made from multiple accounts are not eligible. **Payments made to LendingClub Auto Loans, revolving purchase finance loans and CleanSweep do not qualify for cash back.**
