

Ronnie Momen

Chief Business Officer

As Chief Business Officer, Ronnie oversees all of LendingClub's lending businesses and the numerous support functions that enable lending and servicing, Personal Loans, Auto Loans, Purchase Finance, and Small Business Lending.

Ronnie brings more than 30 years of experience developing innovative, forward-looking and collaborative credit organizations. Prior to LendingClub, he served as Chief Credit Officer for GreenSky. Prior to that, he served as EVP, Chief Credit Officer (Consumer Unsecured Products) at Wells Fargo, where he was responsible for building the risk capabilities to transform the Card and Private Label product lines and drove substantial growth. He has also held business and credit leadership positions with HSBC, most recently as EVP Head of Retail Risk – The Americas covering US, Canada, Brazil, Mexico and Argentina; and Discover Financial Services.

Ronnie holds a B.A. in Engineering and Management Science from Cambridge University, England.
