### ZERO BALANCE ACCOUNTS

If your account reaches and maintains a zero balance for a period of more than 3 months, the Bank reserves the right to either keep the account open or close the account without further notice.

### CHANGES IN NAME AND CONTACT INFORMATION

You are responsible for notifying us of any change in your name, address, or other information we use to communicate with you. We will attempt to communicate with you only by use of the most recent information you have provided to us. Account owners must have a U.S. address at all times in order to maintain a deposit account with LendingClub Bank.

### HOW INTEREST IS EARNED ON YOUR ACCOUNT

Daily Balance Computation Method -- We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the principal in the account each day. Your account earns interest on the entire account balance each day at the interest rate and annual percentage yield in effect for the appropriate balance tier. Accrued interest is credited to the balance in the account on the last business day of the statement cycle. We use a monthly statement cycle. Accrued interest that is credited to the balance in the account begins to earn interest no later than the next business day and compounds with each statement cycle.

If you close your account before accrued interest, if any, is credited you will receive the accrued interest.

The following chart shows the annual percentage yield ("APY") and interest rate effective as of 6/29/2022. Interest rates and the annual percentage yield are variable and are subject to change without notice at any time, at the sole discretion of the bank.

Balance to Earn Interest	Interest Rate	APY
\$0.00 - \$2,499.99	0.00%	0.00%
\$2,500.00 - \$99,999.99	0.10%	0.10%
\$100,000.00 and above	0.15%	0.15%

**REWARDS CHECKING**

**CASH BACK REWARDS**

The Debit Card Rewards Program ("Cash Back Rewards") provides 1.00% cash-back on all Qualified Purchases using a debit card tied to an Eligible Account.

Eligible Accounts are: Rewards Checking accounts that meet the following requirements for the calendar month in review:

- (1) Maintain an average monthly balance of at least \$2,500.00; or
- (2) Receives at least \$2,500.00 in Qualifying Direct Deposits.

Qualified Direct Deposits are defined as: Recurring Automated Clearing House (ACH) credits, including payroll, pension or government payments (such as Social Security) made by your employer, or an outside agency. We may require documentation to verify that credits are Qualifying Direct Deposits. Qualifying Direct Deposits do not include peer to peer payments or ACH transfers (funds transfers) from your external accounts.

Qualified Purchases are defined as: Signature-based purchases made using the debit card tied to an Eligible Account. These are "credit" purchases that can be made in stores and online. To make a signature-based purchase, select "credit" rather than debit at point-of-sale kiosks. The "credit" option is most often pre-selected when making purchases online using a debit card. Online subscription payments may not be considered signature-based purchases. The payment transaction type (signature-based or other) is ultimately decided by the merchant and is based on how the transaction is transmitted at the time of processing. Qualified Purchases do not include: (1) any goods or services purchased that are returned or otherwise credited to your Eligible Account; (2) unlawful purchases; or (3) purchases of currency, cash or cash equivalents (including, without limitation, currency from the U.S. Mint, Travelers Checks, gift cards, cryptocurrency, casino chips, peer to peer payments, prepaid debit cards, account openings, loan payments, or other cash equivalents).

We may report the value of Cash Back Rewards to the IRS as required by law. Any client whose tax status would require us to impose tax withholding of any sort will not be eligible for Cash Back Rewards.

Accounts are reviewed after the end of each month. Any earned Cash Back Rewards will be credited to your account on or before the 10th calendar day of the next calendar month. The Eligible Account must be open and active at the time the Cash Back Reward is credited.

## LEVELUP SAVINGS

### HOW INTEREST IS EARNED ON YOUR ACCOUNT

Daily Balance Computation Method — We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the principal in the account each day. Your account earns interest on the entire account balance each day at the interest rate and annual percentage yield in effect for the appropriate balance tier. Accrued interest is credited to the balance in the account on the last business day of the statement cycle. We use a monthly statement cycle. Accrued interest that is credited to the balance in the account begins to earn interest no later than the next business day and compounds with each statement cycle.

If you close your account before accrued interest, if any, is credited you will receive the accrued interest.

The following chart shows the annual percentage yield (“APY”) and interest rate effective as of 11/7/2024. Interest rates and the annual percentage yield are variable and are subject to change without notice at any time, at the sole discretion of the bank.

LevelUp Rate <sup>2</sup>		
Balance to Earn Interest	Interest Rate	APY
All Balances	4.89%	5.00%
Standard Rate <sup>2</sup>		
Balance to Earn Interest	Interest Rate	APY
All Balances	3.93%	4.00%

<sup>2</sup> The **LevelUp Rate** is applied to the full balance of LevelUp Savings accounts that receive a total of at least \$250 in deposits during the Evaluation Period. Otherwise, accounts will earn the **Standard Rate**. Interest payments, account bonuses, account credits and reversals or refunds from the bank are not considered deposits for rate evaluation purposes. All LevelUp Savings accounts earn the LevelUp Rate at account opening and continue to earn the LevelUp Rate until the First Evaluation Period, to provide an opportunity to set up deposits.

An **Evaluation Period** is a statement cycle. The **First Evaluation Period** will be the third statement cycle after you open your account, with any rate change becoming effective the next statement cycle. For example, if you open in August, the first Evaluation Period would be October with any rate change effective in November. Any rate changes will take place on the second business day and will be based on deposits in the previous statement cycle.

### TRANSACTION LIMITS

	Preferred	Elite	Reserve

<b>HOW INTEREST IS EARNED ON YOUR ACCOUNT</b>		
<p>Daily Balance Computation Method — We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the principal in the account each day. Founders Savings accounts earn interest at the interest rate and annual percentage yield in effect for the portion of the account balance within each appropriate tier. For example, if your account balance is \$26,000, you would earn the then current rate for the first balance tier (\$0.00 – \$19,999.99 for \$19,999.99 of the balance. You would earn the then current rate for the second balance tier (\$20,000.00 – \$49,999.99) for the remaining \$6,000.01 of your account balance.</p> <p>Accrued interest is credited to the balance in the account on the last business day of the statement cycle. We use a monthly statement cycle. Accrued interest that is credited to the balance in the account begins to earn interest no later than the next business day and compounds with each statement cycle.</p> <p>If you close your account before accrued interest, if any, is credited you will receive the accrued interest.</p> <p>The following chart shows the annual percentage yield (“APY”) and interest rate effective as of 10/8/2024. Interest rates and the annual percentage yield are variable and are subject to change at any time at the discretion of the bank. Rates may change prior to funding and any interest being earned.</p>		
<b>Portion of Balance Earning Rate</b>	<b>Interest Rate</b>	<b>APY</b>
\$0.00 - \$19,999.99	4.65%	4.75%
\$20,000.00- \$49,999.99	4.65%	4.75%
\$50,000.00 and more	4.65%	4.75%
