

Rewiring the Human Brain to Face its Mortality: Meditative Self-Dissolution as a Pathway to Existential Resilience

Yair Dor-Ziderman & Aviva Berkovich-Ohana

Bial
FOUNDATION
Grant 191/20

אוניברסיטת חיפה
University of Haifa
جامعة حيفا

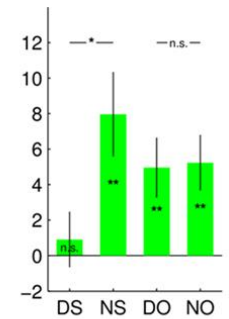

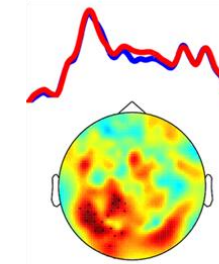

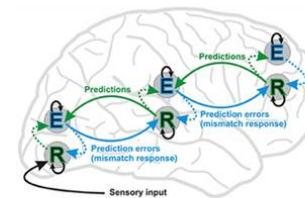

With its 15th Symposium, the Bial Foundation hopes to engage speakers and the audience around a deep, interdisciplinary reflection about what is undoubtedly one of the core experiences of human life: the realization that it will end.

“Everybody knows everybody else is going to die.”

Stephen Jenkinson (2015),
“Die Wise: A Manifesto for Sanity and Soul”
