Application Detail		Edit	Create PDF	Submit Application	Withdraw Application
Grants Edition Name	Bial Foundation Grants Programme 2026/27	Grant Edition	G-33519		
Application Number		Application ID	A-42392		
Status	Draft				
EMAIL SUBSCRIPTION					
If you would like to stay informed about the Bial Foundation's news and activities, please join our mailing list by checking the box below:					
<input type="checkbox"/> I want to receive information and updates about the Bial Foundation's activities, including news, events, and promotional communications.					
PROJECT DESCRIPTION					
Scientific Domain(s) (!) ?					
Topics					
Keyword 1			Keyword 2		
Keyword 3			Keyword 4		
Project Title (!) ?					
Specific Aims (!) ?	Note: 300 caracteres maximum, including spaces				
Requested funding in Euro (total) (!) ?					
Project duration in months					
Starting on (!) ?			Ending on (!) ?		
(!) ?	Mandatory fields to be included in the Research Funding Agreement				
INSTITUTIONS INVOLVED - Host Entity (principal research centre)					
Name of University/Institution (!) ?					
Dept./Lab./Research centre					
Address (!) ?					
Postcode (!) ?			Town/City (!) ?		
Country (!) ?					
Director of the research centre					
Email of the Director of the research centre					
Objectives, activities and mission ?	Note: 600 characters maximum, including spaces				
INSTITUTIONS INVOLVED - Participating Institution					
Name of University/Institution					
Dept./Lab./Research centre					
Country					
Director of the research centre					
Email of the Director of the research centre					
Objectives, activities and mission ?	Note: 600 characters maximum, including spaces				
SCIENTIFIC COMPONENT - Summary					
Summary ?	Note: 5.000 characters maximum, including spaces				
SCIENTIFIC COMPONENT - Technical Description					
Literature Review ?	Note: 6.000 characters maximum, including spaces				
Research Plan and Methods ?	Note: 10.000 characters maximum, including spaces. Please clearly outline your main research questions, hypotheses, and methodological approach, including the overall study design. Specify the measures and instruments to be used, include a power analysis or other justification for the proposed number of participants and trials (if applicable), and provide a detailed description of the experimental procedures and planned data analysis, as well as details of any pre-registration completed or planned. Where relevant, describe potential risks and explain how they will be mitigated through contingency planning.				
(Neuro)physiological measures ?	Note: For projects in which "Psychophysiology" was selected in the "Scientific Domain" please list all (neuro)physiological measures that will be employed.				
Other(s)	Separate measures with semicolons				
References ?	Note: please list up to a maximum of 30 of the most important literature references for assessing the submitted project.				
Previous Own Publications ?	Note: please list up to a maximum of 5 of the more illustrative publications of the research team for the purpose of this application.				
ETHICAL ISSUES					
Use of Animals					
Human Subjects					
Biological Material

RESEARCH TEAM (List of all team members) [New Team Member](#)

Action	View	Record Type	Name	Project Role	Academic Degree	Title	% Time
Edit Del	T-55101	Principal Investigator	Maria Andrade		PhD	Prof.	

PREVIOUS FUNDED PROJECTS

Has the PI or, if applicable, the Co-PI previously led research projects funded by the Bial Foundation in the role of PI or Co-PI?

EXPECTED OUTPUT INDICATORS (number of actions)

[Edit](#)

Disclaimer: The last instalment will be paid after all the final requirements are met, which may include a research paper accepted for publication in a peer-reviewed journal stemming directly from the research project.

Description	Year 1	Year 2	Year 3	Total
PhD thesis				0
Master's thesis				0
Organization of seminar or conference				0
Book				0
Book chapter				0
Conference presentation				0
Conference paper				0
Journal article				0
Other (specify)				0

PROJECT SCHEDULING (List of all project tasks)

BUDGET - Global Budget (Euro) requested to Bial Foundation

[Edit](#)

Disclaimer: Overheads/indirect costs or payments for the use of spaces or equipment of the Host Entity or the Research Centre where the project will be conducted are not eligible and will not be accepted. An exception is made for costs directly associated with the use of neuroimaging equipment, specifically CT, fNIRS, MEG, MRI, PET, SPECT, and TMS.

Description	Year 1	Year 2	Year 3	Total
Human resources	0 €	0 €	0 €	0 €
Missions (max. 10% of the total global budget)	0 €	0 €	0 €	0 €
Consultants	0 €	0 €	0 €	0 €
Acquisition of goods and services	0 €	0 €	0 €	0 €
Other costs	0 €	0 €	0 €	0 €
Equipment (max. 50% of the total global budget)	0 €	0 €	0 €	0 €
TOTAL	0 €	0 €	0 €	0 €

BUDGET - Funding Plan (Euro)

Action	FP ID	Description	Year 1	Year 2	Year 3	Total
Edit	FP-166695	Requested funding to Bial Foundation				0 €
Edit	FP-166696	Requested funding for the project to other institutions				0 €
Edit	FP-166697	Other already secured funding for the project				0 €
Edit	FP-166698	TOTAL				0 €

JUSTIFICATION OF THE BUDGET requested to Bial Foundation

Action	JB ID	Record Type	Justification
Edit	J-293194	Human resources	
Edit	J-293195	Missions	
Edit	J-293196	Consultants	
Edit	J-293197	Acquisition of goods and services	
Edit	J-293198	Other costs	
Edit	J-293199	Equipment to be acquired	
Edit	J-293200	Equipment already available	

SUGGESTED PAYMENT PLAN

[Edit](#)

Disclaimer: Fill in ensuring a total of 100%, a final payment of no less than 10% of the total amount and the remaining divided according to the duration of the project.

Delivery	%	Amount	Expected Date
Initial Payment		0 €	
Progress Report / Payment 1		0 €	
Progress Report / Payment 2		0 €	
Final Report / Payment (10%)		0 €	
TOTAL	0 %	0 €	

ATTACHMENTS REQUIRED TO SUBMIT APPLICATION

Action	Name	Url
	1. CVs of all research team members - in English language and 4 pages <u>maximum</u> each.	
	Attach New Document	
	No records to display	
	2. Ethics submission - Whenever a proposal involves the use of animals, human subjects, biological material and/or sensitive data, the applicant must attach proof of its submission to the competent Ethics Committee(s), along with this Declaration (https://grantsbialfoundation.my.salesforce-sites.com/servlet/servlet.FileDownload?file=015IV00000QX4sH) signed by the Principal Investigator.	
	Attach New Document	
	No records to display	
	3. Declaration from the Host Entity, where the project will be conducted, confirming its agreement and support for the development of the project within its facilities, should the proposal be selected for funding.	
	Attach New Document	
	No records to display	
	4. Proof of the highest academic degree held by the Principal Investigator – a copy of the diploma or certificate, such as BS, MS, MD, PhD, must be provided.	
	Attach New Document	
	No records to display	
	5. Declaration (https://grantsbialfoundation.my.salesforce-sites.com/servlet/servlet.FileDownload?file=015IV00000QX4p3) signed by all team members accepting the terms of the Regulation of Grants for Scientific Research of Bial Foundation. (https://grantsbialfoundation.my.salesforce-sites.com/servlet/servlet.FileDownload?file=015IV00000QX4sH)	
	Attach New Document	
	No records to display	
	6. Letter of support or recommendation from <u>external</u> experts endorsing the project (optional).	
	Attach New Document	
	No records to display	
	7. Other attached documents (optional).	
	Attach New Document
