

DRIVER EDUCATION

Fall 2018

Ethical Culture Fieldston School

3901 Fieldston Road, Bronx, NY 10471-3922 - 718-329-7283

33 Central Park West, NY, NY 10023 - (212) 712-6230

Goal:

Students are taught in the classroom and in the vehicle by New York State accredited teachers licensed to provide a comprehensive introduction to their driving experience. The primary goal is to teach the safe, efficient operation of a motor vehicle and to develop the proper habits and attitudes needed for defensive driving. Besides the course hours, additional practice is highly recommended in order to bring a new driver to higher levels of driving performance.

Upon Completion:

Students who successfully complete the course will receive a student certificate of completion (MV-285), which includes an insurance premium reduction certificate. After receiving the MV-285 and passing the road test, a 17-year-old is eligible for a full, New York State senior license. A 16-year-old is issued a junior license with restrictions, which automatically turns into a senior license on their 17th birthday. Without completion of a driver's education program, a New York State senior license is not issued until the age of 18.

Eligibility:

Students must be 16 by October 1st for the fall semester. All registered students must secure a NYS Learner's Permit or non-Driver ID card by December 31st, 2018. Please note that if a NYS Learner's Permit or Non-Driver ID card is not secured by provided date, the student will not be issued a certificate of completion (MV-285). *(For more information, please visit the DMV website: <http://www.dmv.ny.gov>)*

Course Information:
