ARE GO

## SPACE JAR

Recreate the spectacular space scenes from Thunderbird 5!

### STEP 1:

Cut a sheet of tin foil to size, so that it fits inside the jar.

### STEP 2:

Gently pull the tin foil taut and poke small holes with your safety/push pin. Score lines between some of the holes to recreate star constellations.

**BE CAREFUL: ASK A GROWN-UP FOR HELP**

ARE GO

## SPACE JAR

Recreate the spectacular space scenes from Thunderbird 5!

### STEP 3:

Line the inside of the jar with the foil.

### STEP 4:

Put the fairy lights in the jar and turn the light on.  
Enjoy your spectacular space scene in a dark room!

**BE CAREFUL: DON'T USE CANDLES**
