GUIDE THUNDERBIRD 4

Practice your pilot skills to guide TB4 through the submarine canyon!

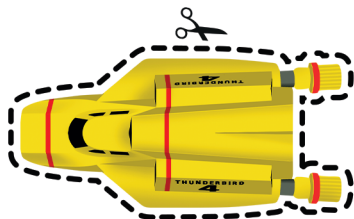

EQUIPMENT:

1. White card
2. Two mini magnets
3. Scissors
4. Glue

1. Print the Submarine canyon template and Thunderbird 4 onto white card.
2. Cut along the dotted lines.
3. Glue one mini magnet behind Thunderbird 4.
4. Place Thunderbird 4 at the start of the canyon. Hold the other mini magnetic underneath the card. Move your hand and watch as Thunderbird 4 follows!
