1/ The customer does not add anything to their booking, so the deposit and deductible amounts shown in blue will apply.

2/ The customer wants to reduce the deposit and deductible. By choosing the CDW, the deposit and deductible amounts return to “normal,” shown in orange.

3/ The customer wants to minimize the deductible: they can subscribe to the FULL COVER option (excluding prestige vehicles). The deductible is reduced to €0, and the deposit is significantly lowered. FULL COVER = full deductible waiver for customers arriving at the counter WITHOUT INSURANCE.
