

drylin® E | Multi-axis linear robots | Product range

Flat linear robot – for predefined surfaces

DLE-FG-0001

- **X-axis:** drylin® ZLW-0630 toothed belt axis with NEMA17 stepper motor with encoder
- **Y-axis:** drylin® ZLW-0630 toothed belt axis with NEMA17 stepper motor with encoder
- Proximity switches available

Technical data

Workspace:	300 x 300 mm
Max. speed:	1.5 m/s
Max. acceleration:	10 m/s ²
Repeatability:	0.3 mm
Load capacity:	80 N

DLE-FG-0002

- **X-axis:** drylin® ZLW-0630 toothed belt axis with NEMA17 stepper motor with stranded wire
- **Y-axis:** drylin® ZLW-0630 toothed belt axis with NEMA17 stepper motor with stranded wire
- Proximity switches available

Part No.

DLE-FG-0001 version with encoder
DLE-FG-0002 version with stranded wire
