

Cruiser Hoodie

Front Left Chest Print

100mm x 100mm finished size

Please supply your artwork as a CMYK PDF

Please supply page order as below if front and back print:

Page 1 - Front artwork

Page 2 - Back Artwork

We recommend a resolution of 300dpi

Ensure your background is transparent as any background colours remaining on your design will be printed

If you wish to print white in your design, please ensure that it is NOT set to overprint

Your design should be supplied at the same size as the printable area, without a bleed

Position your artwork within the artboard according to your required print position. Left chest prints are positioned approximately 100mm from the neckline. Full front and back prints are positioned approximately 10mm from the neckline
