

CHILDREN'S HOODIES BACK

250mm x 170mm printable area

**Children's hoodies will be printed
in full colour**

Please supply your artwork in CMYK

Minimum resolution of 150 dpi (we recommend 300 dpi)

The print area starts 10mm from the neck line

All of the design must be constrained within the template size

As this isn't trimmed, there is no bleed or safe zone required

Please supply your files without cut marks or printers marks

**Ensure your artwork has transparent background as any
background which remains will be printed**
