

DIGITAL PRINT CHILDREN'S T-SHIRTS

230mm x 300mm printable area

Digital T-Shirts will be printed in full colour

Please supply your artwork in CMYK

Minimum resolution of 150dpi (we recommend 300dpi)

**The print area starts 10mm from the neck line
All of the design must be contained within the
template size**

**As this isn't trimmed, there is no bleed or safe
zone required**

**Please supply your files without cut marks or
printers marks.**

**Ensure your artwork has a transparent
background as any background which remains
will be printed.**
