

# **DIGITAL PRINT**

**CHILD'S POLO SHIRT - FULL BACK PRINT**

**250mm x 300mm printable area**

**Digital T-Shirts will be printed in full colour**

**Please supply your artwork in CMYK**

**Minimum resolution of 150dpi (we recommend 300dpi)**

**The print area starts 10mm from the neck line**

**All of the design must be contained within the template size**

**As this isn't trimmed, there is no bleed or safe zone required**

**Please supply your files without cut marks or printers marks.**

**Ensure your artwork has a transparent background as any background which remains will be printed.**
