

DIGITAL PRINT

CHILD'S POLO SHIRT - LEFT CHEST

Printed in full colour

Please supply your artwork in CMYK

Minimum resolution of 150dpi (we recommend 300dpi)

All of the design must be contained within the template size

As this isn't trimmed, there is no bleed or safe zone required

Please supply your files without cut marks or printers marks.

Ensure your artwork has a transparent background as any background which remains will be printed.
