

CHILDREN'S SWEATSHIRTS BACK

250mm x 300mm printable area

**Children's sweatshirts will be printed
in full colour**

**Please supply your artwork in CMYK
Minimum resolution of 150dpi (we recommend
300dpi)**

**The print area starts 10mm from the neck line
All of the design must be contained within the
template size**

**As this isn't trimmed, there is no bleed or safe
zone required**

**Please supply your files without cut marks or
printers marks.**

**Ensure your artwork has a transparent
background as any background which remains
will be printed.**
