In transition planning, it’s important to connect kids’ strengths and interests to what they want to do after high school. IEP teams use interviews and career assessments to help gather this information.

Measurable Postsecondary Goals
Transition goals must target what kids will do after high school. It’s helpful if the goals in your child’s transition plan match up with IEP goals. Keep in mind that the goals may change over time as you and your child plan for the future.

## Supporting IEP Goals and Services

The IEP team can put in place IEP goals and transition services to support your child’s transition goals. It’s important that the plan list people and resources that can help. These include colleges, employment agencies and other transition specialists.
