Dairy Relief Softgel FOR THE PREVENTION OF: GAS, BLOATING, AND DIARRHEA associated with digesting dairy**

Directions

Take 1 softgel with your first bite of dairy food. If necessary, you may take 2 softgels at one time.

Enjoy Dairy!

Repeat if you continue to eat foods containing dairy after 30-45 minutes, take another softgel.

Warnings: Consult your doctor if your symptoms continue after using this product or if your symptoms are unusual and seem unrelated to eating dairy.

Keep out of reach of children

How it works?

This product contains a natural lactase enzyme that your body may not produce enough of. It works naturally and in harmony with your body to help you digest dairy**. This is a dietary supplement, **NOT A DRUG**, and may be used by adults and children 4 years and over. May be used every time you eat food containing dairy—every meal, every snack, everyday.
