Warnings

Reye's syndrome: Children and teenagers who have or are recovering from chicken pox or flu-like symptoms should not use this product. When using this product, if changes in behavior with nausea and vomiting occur, consult a doctor because these symptoms could be an early sign of Reye's syndrome, a rare but serious illness.

Allergy alert: Contains salicylate.

Do not take if you are

• allergic to salicylates (including aspirin) • taking other salicylate products

Do not use if you have • an ulcer • a bleeding problem • bloody or black stool

Ask a doctor before use if you have

• fever • mucus in the stool

Ask a doctor or pharmacist before use if you are taking any drug for

• anticoagulation (thinning the blood) • diabetes • gout • arthritis

When using this product a temporary, but harmless, darkening of the stool and/or tongue may occur

Stop use and ask a doctor if

• symptoms get worse or last more than 2 days • ringing in the ears or loss of hearing occurs • diarrhea lasts more than 2 days

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children. In case of overdose, get medical help or contact a Poison Control Center right away. (1-800-222-1222)

Directions • swallow with water, do not chew • adults and children 12 years and over: • 2 softgels (1 dose) every 1/2 hour or 4 softgels (2 doses) every hour as needed for diarrhea • 2 soft gels (1 dose) every 1/2 hour as needed for overindulgence (upset stomach, heartburn, indigestion, nausea) • do not exceed 8 doses (16 softgels) in 24 hours • use until diarrhea stops but not more than 2 days • children under 12 years: ask a doctor • drink plenty of clear fluids to help prevent dehydration caused by diarrhea
