B4 SHOWCASE AND AUTOGRAPH SESSION AT COLOMBO WORTEN

The hot, sexy rhythms of the Angolan group B4 have been a hit all across the country and they are one of the most popular bands in Portugal and other Portuguese-speaking countries. Recently returned for an agenda of summer tour concerts, Big Nelo and C4 Pedro are going to be at the Worten store in Colombo for a showcase followed by an autograph session on Friday 10 April at 19:00.

B4 is a musical project that began in 2013 by performers Big Nelo and C4 Pedro as a partnership designed to satisfy the requests of many fans because of the duets they produce.

Their first record, "Los Compadres", presented the public with 11 tracks based on zouk, house, afro-house and R&B.

"É melhor não duvidar" and "Quem será" are still being played frequently on Portuguese radio stations and clubs to the delight of thousands of the Duo's fans.

The CD+DVD "Los Compadres – Ao Vivo em Lisboa", which was recorded in May 2014 during a sell-out show at Lisbon's Campo Pequeno, was launched at the end of last year and is still a best seller in Portugal.

With this store event, Worten is once again associating itself with spreading music sung in Portuguese, offering its customers a good time and real entertainment.
