NATIONAL PES CHAMPIONSHIP THIS SATURDAY AT THE WORTEN STORE IN COLOMBO

The grand final of the PES 2015 National Championship is being held at the Colombo Worten store this Saturday 9 May between 14:00 and 19:00.

Sixteen players are going to be competing in the championship - the national current reigning champion, the six monthly PES league winners; the eight selected in the qualifying rounds in the Worten stores in NorteShopping and Vasco da Gama; and the winner of the "last minute" tournament run by 'Liga Playstation Portugal' –, which starts with a preliminary group phase, where the contestants play two legs against all the teams in their group. This phase is based on the standard football scoring system: three points for a win, one for a draw and nothing for losing.

The best two players in each group go through to the qualifying games in a system of playoffs, where the winner always goes on to the next game, while the loser is knocked out of the championship.

The winner of Saturday's tournament at the Colombo Worten store will become the PES 2015 National Champion and will represent Portugal in the final of the Pro Evolution Soccer 2015 World Championship, to be held in Berlin, Germany.
