Here's a standout innovation that perfectly blends the urban and off-road experience. With the balance, stability of a scooter and the toughness of an off-road motorcycle, the **X-ADV (2025 Year Model)** is a unique crossover performer that captures the essence of modern adventure. In addition to its strong tubular-steel chasis with a 745cc twin-cylinder engine and Dual Clutch Transmission (DCT), this model is equiped with a 5-inch Thin Film Transistor (TFT) Full-LCD Digital Meter Panel which paves the way for the Honda Smartphone Voice Control System (HSVCS) which links the rider to their smartphone while on the move. This model also features new designs for enhanced comfort, includiong a **lower seat height, redesigned front flairings, and innovative daylight running lights with built-in turn signal.**

LOWER SEAT HEIGHT

NEW FRONT FLAIRINGS

NEW DAYLIGHT RUNNING LIGHTS WITH WINKER
