A NEW CLICK HITS THE STREET.

The Honda Click125 Street upgrades every ride to a whole new level of style. Made for game changers who want to stand out, it features a New Naked Handlebar, Custom Cast Wheels, and a Newly Designed Meter Panel for a distinctive street edge. Its Smart Key System lets you start and lock the motorcycle without inserting a key, adding everyday convenience. Underneath the style is a reliable 125cc Liquid-Cooled eSP Engine built for efficient performance. Its Idling Stop System helps save fuel during brief stops, while the Combined Braking System helps provide more balanced braking. With reliability and game-changing features working together, the Click125 Street upgrades the way you take on the streets.
