Welcome to your Neighbourhood Street Directory

About this booklet

This directory has been put together by a neighbour - your Street Champion - to help everyone on your street know who lives nearby. Whether you need a helping hand, want to share a skill, or simply want to know who to call in an emergency, this booklet is your starting point.

How it works

- Every household listed here has chosen to be included
- Nobody is added to the directory without their consent
- For personal use of residents in this neighbourhood only
- Check tickboxes for what your neighbours have indicated they are happy to help with
- Contact neighbours who can help with what you need

Your Street Champion

Your Street Champion is a volunteer neighbour who coordinates the directory and cares about this neighbourhood. If you'd like to be added, removed, or need to update your details, get in touch with them directly.
