*** Skills First Program**

This training is delivered with Victorian and Commonwealth Government funding under the Skills First Program. Enrolment in a subsidised place can affect your future eligibility for government-subsidised training. Before enrolment, each student will receive a personalised Statement of Fees showing their course cost, approximate government contribution and student contribution fees. Eligible students may receive a Skills First fee concession in accordance with the 2026 Guidelines About Fees. Fee concessions are assessed at enrolment and apply to tuition fees only. In some circumstances, students may be eligible for a Skills First fee waiver. Fee waiver eligibility is assessed individually in accordance with the 2026 Guidelines About Fees. Students not eligible for a funded place via the Skills First Program may enrol under Fee For Service arrangements.

To check if you are eligible for a Victorian and Commonwealth Government subsidy under the Skills First Program, please refer to the official Skills First webpage.

[Check your eligibility here: https://www.skills.vic.gov.au/s/how-to-check-your-eligibility](https://www.skills.vic.gov.au/s/how-to-check-your-eligibility)

Assessment via Recognition of Prior Learning (RPL)

RPL fees apply only where Recognition of Prior Learning is requested and assessed as suitable. Final RPL costs are confirmed following evidence review and Pre-Training Review. Students who, after RPL Assessment, do not meet the requirements of the unit, may be offered gap training if this is deemed suitable. Alternatively students may be recommended to undertake the full unit at an additional cost where an appropriate delivery mode is available. Fees for gap training or to complete the full unit will be confirmed at that time as this is dependent on the gap training required and individual units. Please refer to BAA's Recognition of Prior Learning (RPL) and Credit Transfer (CT) Policy and Process on the Key Links and Documents page of our website for more information:

Fees, Charges and Refunds

The student tuition fees as published are subject to change given individual circumstances at enrolment. A statement of fees listing fees payable will be detailed in the Program Services Agreement. Fees payable are due prior to induction to confirm enrolment. The Program Services Agreement is an individual agreement issued to each student following completion of the Pre-Training Review and confirmation of course suitability, funding eligibility (where applicable), and final fees. Individual fees may be waived at the discretion of Management or adapted for the time frame of a promotional sale. DebitSuccess payment plans are available for students. Please refer to our Debit Success information located on our website for associated fees. In accordance with the 2025 Revised Standards for RTOs (comprising the Outcome Standards, Compliance Requirements, and Credential Policy) BAA does not collect prepaid fees over \$1500 from individual students prior to commencement. Self Paced Fee Payment:
 - Where the entire course fee is collected upfront, full access to all course materials is provided to the student at the time of payment.
 - As such, the course is considered to be delivered in full upon payment, and these fees are not classified as prepaid. Consequently, fee protection measures under Clause 7.3 of the Standards for RTOs do not apply.
 - This approach ensures students receive all necessary learning resources immediately, fulfilling our delivery obligations and aligning with regulatory requirements. BAA issues digital credentials. A fee of \$65 is payable for a hard copy credential or for re-issue of a credential. Fees include 2 attempts at competency. Further re-attempts may require an additional fee quoted prior to the re-attempt. Refunds are managed in accordance with the BAA Fees, Charges and Refund Policy located on our website's Key Links and Documents page.

Please Note:

Course durations are reflected on our website under each individual course brochure. BAA does not offer any work placements or practical placement arrangements. This fees listing is for domestic students only. For International Student Fees please refer to CRICOS Fees Listing. Cancellation, Withdrawal and Deferral are managed in accordance with the BAA Cancellation, Withdrawal and Deferral Procedure for Students, available on our website's Key Links and Documents page.

** The total student contribution paid by a Skills First funded Apprentice is subject to the Apprentice completing their Apprenticeship within the maximum Duration of the relevant Approved Training Scheme. Should the Apprentice's Training Contract be extended beyond this, their enrolment can be extended with an additional annual payment required for every year of the extension.

*** Tuition Fees for Skills First funded Apprenticeships are charged each calendar year on the anniversary of their induction.

Assessment via Recognition of Prior Learning (RPL)

RPL fees apply only where Recognition of Prior Learning is requested and assessed as suitable. Final RPL costs are confirmed following evidence review and Pre-Training Review. Apprentices/Trainees cannot undertake their program via Full RPL. RPL assessment can only include skills and experience gained prior to their Traineeship/Apprenticeship.
