

COURSE INFORMATION

CPC50220

DIPLOMA OF BUILDING AND CONSTRUCTION (BUILDING)

If you feel it's time to take on a bigger challenge, such as starting your own building business, then CPC50220 Diploma of Building and Construction (Building) will provide you with the skills you need to excel.

IS THIS COURSE FOR YOU?
CPC50220

DIPLOMA OF BUILDING AND CONSTRUCTION (BUILDING)

CPC50220 Diploma of Building and Construction (Building) will cover the major aspects of building and construction. You will learn to run a small to medium construction business and take overall responsibility for completing the construction of a building. You will also learn the skills required to understand the processes involved in selecting, overseeing and managing contractors, as well as how to successfully liaise with clients.

Enrolment checklist

- ☐ You are over 18 years old or over
- ☐ You are competent in written and spoken English (language, literacy and numeracy will be assessed as part of the enrolment process)
- ☐ You are able to attend the scheduled classroom training sessions as per the timetable
- ☐ You will have access to a computer and the internet for the duration of the course
- ☐ You may or may not have experience in the Building and Construction Industry
- ☐ The practical demonstrations of skills on a building and construction site will be required for some units of competency, near the completion of the course. BAA will reasonably assist those students without access to a building and construction site (where required).
- ☐ You have access to certain tools (Please refer to our website)

How long will it take?

BAA offer two streams for this program, depending on your level of experience in the industry.

Standard Stream: Part-time, two nights per week of facilitator-led classes for 62 weeks.

**Total duration is typically between 62 to 78 weeks when taking into account unavoidable class breaks, public holidays and Christmas Shutdown period as applicable including an additional 8 weeks assessment time if required at the end of the program.*

Experienced Stream: Part-time, two nights per week of facilitator-led classes for 53 weeks

**Total duration is typically between 53 to 67 weeks when taking into account unavoidable class breaks, public holidays and Christmas Shutdown period as applicable including an additional 8 weeks assessment time if required at the end of the program.*

Student may require up to 8 hours per week outside of class times to complete additional learning and assessment activities, yet this will vary based on each learner.

We know that location is important, so we have classes that are close to home and work as well as virtual classroom online options. Give us a call and we can discuss the best option for you.

Is this course subsidised?

This training is delivered with Victorian and Commonwealth Government funding for eligible students. If you aren't eligible, you can still enrol in the course as a full fee paying student. **We have a number of payment options available.** For our full fee list please visit www.buildersacademy.com.au. Give us a call to discuss the best option for you.

Future pathways

The career outcomes are varied but common pathways include Construction Manager, Site Manager or Foreperson. This qualification may support your application to become a Registered Builder with the Victorian Building Authority. Dependant on your industry experience. Please note that Builders Academy does not guarantee a license outcome.

Units
