**Assessment via Recognition of Prior Learning (RPL)**

RPL fees apply only where Recognition of Prior Learning is requested and assessed as suitable. Final RPL costs are confirmed following evidence review and Pre-Training Review.

Students who, after RPL Assessment, do not meet the requirements of the unit, may be offered gap training if this is deemed suitable. Alternatively students may be recommended to undertake the full unit at an additional cost.

Fees for gap training or to complete the full unit will be confirmed at that time as this is dependent on the gap training required and individual units.

RPL and Credit Transfer are managed in accordance with BAA's Recognition of Prior Learning (RPL) and Credit Transfer (CT) Policy and Process located on the Key Links and Documents page.
