COURSE INFORMATION

# CERTIFICATE II
# IN CONSTRUCTION PATHWAYS

CPC20220

Work towards an apprenticeship in the building and construction industry.
Gain a competitive advantage by being the apprentice every tradesman hopes for and increase your employment prospects.

IS THIS COURSE FOR YOU?

# CERTIFICATE II
# IN CONSTRUCTION PATHWAYS

CPC20220

**This qualification covers the basic skills and knowledge required to work in a primary trade within the construction industry. It will give you a chance to sample a variety of trade skills and help you find your career path in a highly employable sector.**
**You'll learn the best work health and safety practices, how to correctly use tools, and learn about the materials you will be working with.**
**You will understand the job, and what is required of you and be able to effectively communicate with your work-mates.**

## Enrolment checklist

- ○ You are over 16 years of age (if you're under 18, your parent or guardian must sign the enrolment form on your behalf)
- ○ You want to pursue a trade within the building and construction industry
- ○ You are competent in written and spoken English (language, literacy and numeracy will be assessed as part of the enrolment process)
- ○ You are able to attend the scheduled classroom training sessions as per the timetable

## How long will it take?

Standard course duration is 13.5 weeks face to face delivery, 3 times per week from 08:30 am- 4 pm. You will be expected to study and complete some assessments at home. Please contact us for current course schedules.

## Is the course subsidised?

This training is delivered with Victorian and Commonwealth Government funding for eligible students. If you aren't eligible, you can still enrol in the course as a full fee paying student. We have a number of payment options available. For our full fee list please visit www.buildersacademy.com.au. Give us a call to discuss the best option for you.

## Future pathways

This qualification prepares you with the essential skills needed to enter a full apprenticeship in your chosen field of construction, including carpentry, joinery and shopfitting or wall and floor tiling. The core units will meet the requirements and provide credits in most Certificate III qualifications - apprenticeship courses - in building and construction trades.

## Units

Participants need to complete 10 units of competency, consisting of 5 core units plus 5 elective units. Elective units are to be chosen from at least two but no more than four of groups A to I.

| Core Unit Name | Unit Code |
|---|---|
| Work effectively and sustainably in the construction industry | CPCCCM1012A |
| Plan and organise work | CPCCCM1013A |
| Carry out measurements and calculations | CPCCCM1015 |
| Undertake a basic construction project | CPCCVE1011* |
| Apply WHS requirements, policies and procedures in the Construction Industry | CPCCWHS2001 |

| Elective Unit Name – Group B (Carpentry) | Unit Code |
|---|---|
| Handle carpentry materials | CPCCCA2011* |
| Use carpentry tools and equipment | CPCCCA2002* |

| Elective Unit Name – Group D (Wall & Floor Tiling) | Unit Code |
|---|---|
| Undertake basic installation of wall tiles | CPCCCM2013* |

| Elective Unit Name – Group I (General Elective Units) | Unit Code |
|---|---|
| Handle construction materials | CPCCCM2004* |
| Undertake basic estimation and costing | CPCCCM1011 |

Prerequisite units of competency - An asterisk (*) against a unit code above indicates that there is a prerequisite requirement that must be met. Prerequisite unit(s) must be assessed before assessment of any unit of competency with an asterisk. Check the unit of competency for information on specific prerequisite requirements. All prerequisite requirements are packaged in the qualification. Build your future. The RTO encourages people with a disability to apply. Delivered by House of Learning Pty Ltd trading as Builders Academy Australia National RTO Code 21583 ABN 21 144 869 634.
