Tuition Assurance

In accordance with the ESOS Act 2000, BAA ensures the security of Student Fees through membership to the Australian Government's Tuition Protections Service (TPS) which is a placement and refund service for International Students. The TPS is similar to an insurance cover that aims to place Students in an alternative course and offer a pro-rata refund on unused portions of their tuition fees.

In the unlikely event of BAA default, then all unspent pre-paid tuition fees to date will be refunded to the Student within fourteen (14) days of the default day. Other associated fees may be refunded. Alternatively, the Student may be offered enrolment in an alternative course (this course may or may not be with an alternative provider) at no extra cost with any unspent tuition fees transferred to the new course and where relevant, the new provider. The Student reserves the right to accept either the refund amount or a place in another course.

Where the Student accepts a refund of unexpended pre-paid tuition fees from the TPS, they will be required to comply with all relevant immigration requirements and should note that this may have an impact on their Student Visa. Where the Student wishes to obtain further information about the Tuition Protection Service (TPS), it can be found at the following website:

<https://www.education.gov.au/tps>

Finally, if the BAA cannot place the Student in a suitable alternative course and is unable to offer a refund of unspent tuition fees, the Tuition Protection Service (TPS) will attempt to place the Student in a suitable alternative course or, if this is not possible, Students will be eligible for a refund as calculated by the TPS. If BAA is not in a position to refund the unexpended pre-paid tuition fees, BAA will notify the TPS Director within three (3) business days of the default or intention to default. At this time, BAA will have fourteen (14) days to satisfy its tuition protection obligations to current Students. Subsequent to the fourteen (14) days lapsing, BAA will have a further seven (7) days to advise the TPS Director of the final outcome.

For further information relating to the Tuition Protection Service (TPS), see Appendix A for a diagram provided for International Students by the TPS.
