

Paul Gama

President - Personal Health Care

Paul leads P&G's global personal health care portfolio, including trusted brands such as Metamucil, Pepto-Bismol, Neurobion, Prilosec OTC, and Vicks—currently the number one retail over-the-counter brand in the world. Prior to his global leadership role, Paul led P&G's North America PHC portfolio for three years and has been key to P&G's improved business growth and innovation success.

Paul is among P&G's most experienced leaders in the health care space. With more than 25 years in health care, he has driven market-leading results as well as consistently strong year-on-year innovation plans, underpinned by a keen focus on consumer needs. Paul joined P&G in 2017, bringing with him an impressive résumé and track record of success at industry leaders such as Bayer, Novartis, and Reckitt Benckiser.

A native of Canada, Paul received his Bachelor's degree at McMaster University, and his MBA from the University of Rochester. In addition to his responsibilities at P&G, Paul serves as Chairman of the Board at the Consumer Healthcare Products Association and is also a member of the Board of Directors at the United Negro College Fund.
