Worker Protection Standard (WPS)

The Worker Protection Standard (WPS) regulation was updated in 2016. If you are currently a Certified Commercial or Private Pesticide Applicator and need to add and/or up-date your Worker Protection Standard Trainer status, contact the AgCenter. The LSU AgCenter offers online and in person meetings.

Call (225) 578-6998 for more information on WPS and Private Applicator training.

Pesticide Applicator Pre-Certification Online Training

Online preparation course for passing the General Standards Exam and Private Pesticide Applicator Exam in Louisiana.

<https://store.lsuagcenter.com/p-477-2021-pesticide-applicator-pre-certification-online-training.aspx>

Private Pesticide Applicator Certification Program

The only approved alternative to taking the Private Pesticide applicator exam, administered only at select LSU AgCenter offices.

<https://store.lsuagcenter.com/p-2586-private-pesticide-applicator-certification-program.aspx>

DRONE SAFETY TRAINING

Any person using a drone (UAV) to apply pesticides must be certified as a commercial applicator and licensed by the FAA.

Before becoming certified, all pilots must complete the online Drone Safety Program.
