CUT FLOWER DEALER

The Louisiana Horticulture Law states that no person shall receive fees, advertise, or solicit business in a regulated profession or occupation unless he holds the appropriate license or permit, or has a regular employee who holds the appropriate license or permit, or is employed by a person who holds the appropriate license or permit. For specifics on what each license or permit authorizes, see Section 3808 of the Horticulture Commission Law.

Cut Flower Dealer Permit: Authorizes the holder to sell cut flowers, either singly or in bunches, including floral arrangements. In order to apply for a cut flower dealer permit the applicant must be involved in the business of selling cut flowers. A Louisiana State Sales Tax number, issued by Louisiana Department of Revenue and Taxation (225-219-7318), is required prior to issuance of permit.

This list will be updated periodically. If you have any questions, please call (225) 952-8100.
