Louisiana Farmers Market

Nutrition Programs

A listing of farmers markets and roadside stands
approved to accept Farmers Market Nutrition
Program Food Benefits Cards

LOUISIANA DEPARTMENT OF
AGRICULTURE & FORESTRY
MIKE STRAIN DVM, COMMISSIONER

Dear Farmers Market Nutrition Program Food Benefits Card
Recipient:

We are pleased to present to you this year the **Farmers Market Nutrition Program Food Benefits Card** to purchase fresh, locally grown fruits, vegetables, cut herbs (and honey for SFMNP only) from local farmers who have signed an agreement with the Louisiana Department of Agriculture and Forestry to participate in the program. New and replacement Senior FMNP cards were mailed separately and arrive preloaded and ready to use. If you retained your card, your food benefits were reloaded and are ready to make purchases.

Food benefits cards are accepted at the farmers markets and roadside stands listed in this 2024 Directory. Remember that all the fruits and vegetables listed in the Harvest Calendar may not be available at all locations listed; however, you will find sufficient produce available at every market to spend your food benefits before the **November 30, 2024**, expiration date. There are no extensions to this date.

Farmers should display a yellow sign which reads “**FARMERS MARKET NUTRITION PROGRAM CARDS WELCOME**” to let you know that they will accept your food benefits card. **You cannot purchase produce from grocery stores or farmers who have not been approved to accept the food benefits cards.**

You may have someone else buy for you if you are unable to go to the market or roadside stand yourself. Senior FMNP food benefits cards will have a total value of \$50; WIC FMNP - \$50 per participant in the household. You can use all your food benefits at one time or go back later if you want to wait until a certain item is in season. Just remember the **expiration date is November 30**, the last day you may use the food benefits.

We hope you enjoy our locally grown, fresh fruits, vegetables, herbs (and honey for SFMNP only) and will support your local farmers by using all your food benefits. If you have questions, please call 985-345-9483.

With kindest regards, I remain

Sincerely,

Mike Strain DVM
Commissioner
