

Louisiana Industrial Hemp Program 2020 Transportation Driver Voluntary Reporting Form

- Use this form to submit the names of each person that may be the driver of a vehicle transporting your industrial hemp seed, plants or plant material in Louisiana.
- Reporting transportation drivers is **voluntary**, and is not required by the Hemp Law or Regulations.
- This list along with required and other supporting documentation will assist in avoiding transportation interruptions with law enforcement agencies.
- To report changes in drivers, licensee should resubmit this form with current driver information.
- A list of licensee’s drivers will be compiled and supplied to state and local law enforcement agencies.

1. License Information

Enter all licenses in which the drivers may be transporting industrial hemp seed, plants or plant material.
