

## FLORAL DEALER PERMIT

The Louisiana Horticulture Law states that no person shall receive fees, advertise, or solicit business in a regulated profession or occupation unless he holds the appropriate license or permit, or has a regular employee who holds the appropriate license or permit, or is employed by a person who holds the appropriate license or permit. For specifics on what each license or permit authorizes, see Section 3808 of the Horticulture Commission Law. All licensees are required to place at least one of their license numbers on all business related vehicles that have advertisements on them (Section 115 E of regulations).

### Floral Dealer Permit

Authorizes the holder to sell cut flowers, either singly or in bunches, including floral arrangements and ornamental plants. Does not include the sale of woody ornamentals, such as tall trees or fruit trees. Does not apply to artificial materials or dried plant materials. In order to apply for a floral dealer permit, the applicant must be involved in the business of selling cut flowers and ornamental plants in pots. A Louisiana State Sales Tax number, issued by Louisiana Department of Revenue and Taxation (225) 219-7318, is required prior to issuance of permit.
