# LDAF Rules for testing: Title 7 Part XXIII

- **§701** B. The minimum score necessary for successful completion of examinations for certifications under these rules and regulations shall be 70 percent.
- I. All applicants for salesperson, commercial applicator and private applicator certification must be at least 18 years of age.
- H. An applicant who took and did not pass an examination in this state under these standards shall not be permitted to receive certification in the occupation or category for which the examination was taken under a reciprocal agreement with another state.
- J. An applicant shall be disqualified from completing an examination or taking any other examination administered under these rules and regulations if the applicant is caught or found to be cheating on an examination or using any written materials, electronic devices, or other means during an examination, which have not been authorized or allowed by the director or person administering the examination.
- 1. Any such applicant shall not be allowed to finish the examination and shall receive a score of zero. If an applicant finished the examination prior to the discovery of the cheating or use of unauthorized written materials, electronic devices, or other means the applicant's examination shall be voided and the applicant shall receive a score of zero.
- 4. If the action or administrative decision is not appealed or is upheld on appeal then the applicant shall not be allowed to take or re-take the examination, or any other examination administered under these rules and regulations **for a period of three years** from the examination date without the approval of the commission given at a meeting of the commission.
