- *Four years of experience within the last six years, having completed 200 jobs in ship fumigation as a technician under the supervision of a structural pest control operator in another state in ship fumigation. Experience with an out-of-state structural pest control operator shall be substantiated by evidence acceptable to the commission.*

## Additional Information

- ◆ If you are using your education to qualify, an official copy of your college transcript must be submitted with the application.
- ◆ If using experience from other states, documentation of certification/license from that state must be provided with application.
  - Recommended documentation includes letter from regulatory agency verifying complete experience; copies of license/certification cards from the last 4 years.
- ◆ If you are unable to obtain a completed affidavit from your supervising licensee, you will need to provide a notarized statement signed by the applicant that the licensee who provided supervision is deceased, his whereabouts are unknown, or fails or refuses to supply the statement, affidavit, or both.
- ◆ If approved for testing, exams are offered every Friday (excluding holidays and office closures) in the Baton Rouge main office at 8:30 am.
- ◆ Please check the calendar on the department website for all upcoming SPCC meetings at [ldaf.la.gov](http://ldaf.la.gov).
