The repurchase may also use derivatives and other instruments. The Board of Directors shall decide on how shares are repurchased. Own shares may be repurchased in a proportion other than that of shares held by shareholders (directed repurchase), provided that there is a weighty financial reason for the Company to do so.

The authorisation revokes the authorisation given by the General Meeting on 15 April 2021 to decide on the repurchase of the Company's own shares. The authorisation shall remain in force until the end of the next Annual General Meeting, but for no longer than until 30 June 2023.

The Board of Directors shall decide all other terms and conditions concerning the issuance of shares and other special rights conferring entitlement to shares, and shall be entitled to set aside the pre-emptive subscription right of a shareholder (directed issue) if there are pressing financial reasons for the company to do so. Possible uses of the authorisation include financing acquisitions or other business arrangements and investments, implementing the company's share-based incentive schemes, and other purposes decided by the Board of Directors.

The authorisation revokes the authorisation to decide on the issuance of shares and other special rights conferring entitlement to shares that was granted by the Annual General Meeting of 15 April 2021.
