

DINNERLY

Send a message in a bottle cupcake.

Who wants a card when you can have cupcakes?

We've crafted our Sweet Talk Chocolate Cupcakes with Chocolate Ganache Icing to include hiding a special message inside each one. That means you can share a heartfelt message with that special someone AND offer them a sweet treat, too!

This special Dinnerly recipe is available only during February. Make these for a chocolate fiend all month long or gift them to family, friends and romantic interests alike come Valentine's Day! Here are some tasty ideas to get you started.
