Member Spotlight:

Bob Duloher

- Bob was born in Clay Center, KS and has been at Westlink since...ahem...awhile now.
- His favorite subject in school was anything Shop related.
- This handyman enjoys Mexican food, working with his dogs, and keeping our building in good repair (Thanks, Bob!).
- He has always loved fixing anything mechanical and put that skill to good use from 1962 until 2013 as a career auto mechanic. He also owned his own business for 35 years and is basking in his retirement.

Give Bob a hug, high five, or fist bump today.
