# Member Spotlight: Eugene Cameron

Born in Pawnee, Oklahoma, Eugene eventually found himself in Wichita. He has been a member at Westlink for over ten years.

He is a lover of history and in his free time, if he isn't attending a Native ceremony or Pow-Wow, Eugene enjoys a good movie.

Home is his favorite place to be, but you can find him working hard for the Lord's Diner, serving meals at the Evergreen Recreational Center, and working as a CNA helping his clients with many of their most basic needs. Of all his jobs, the Lord's Diner is his favorite.

Fun Fact! Eugene is the only one in his family to receive a Master's in Social Work. Ask him about it.

**Give Eugene a hug, high five, or fist bump today.**

# What is the season of Lent?

► Lent is a 40-day season of preparation for Easter marked by practices of fasting and self-examination inspired by Jesus's time in the wilderness and his journey to the cross. It reminds us of our need for grace, which our loving God constantly offers.
