The Humane Society Launches “The Give Back Pack” Monthly Giving Program to Provide Steady Support for Animals in Need

KITCHENER AND STRATFORD, ONTARIO: The Humane Society of Kitchener Waterloo & Stratford Perth (HSKWSP) has launched The Give Back Pack, a new monthly giving program that offers animal lovers a meaningful way to provide medical care, food, shelter, and love to homeless and vulnerable pets.

This unique program allows individuals to choose the area of care that matters most to them. Whether someone’s heart lies with cats, dogs, small animals, or pets who rely on the Pet Pantry to stay with the families who love them, members can direct their generosity.

Monthly giving means animals benefit from consistent, reliable, support all year long. This ensures that medical care is never delayed, training and enrichment is always available, and families facing hardship can continue caring for their beloved pets. Members will also receive special stories and behind-the-scenes updates, giving them a closer connection to the impact of their generous donation.

There are three levels donors can choose from: \$45/month for cat or dog sponsor, \$25/month for small animal sponsor, and \$20/month for Pet Pantry sponsorship.

“By joining the Give Back Pack, you’re becoming part of a community dedicated to helping a variety of animals get care and second chances,” said Kathryn Ladano, Senior Development Officer at HSKWSP. “Every dollar you give goes directly to what you care most about.”
