

Rheem EZ Link® seamlessly links two Rheem Continuous Flow gas water heaters to deliver up to **54L/minute<sup>1</sup>** of continuous flow hot water, without ever running out.

**Rheem EZ Link® performance features:**

- Suitable for use with all Rheem 12, 16, 20, 26 and 27 L/minute Continuous Flow gas water heaters, which are EZ Link® ready
- Flexible delivery of any volume between 2 and 54 Litres/minute<sup>1</sup>
- Staged heating, so energy usage corresponds only to the hot water demand
- 2 units means no loss of hot water in the event of a unit breakdown
- Longer unit life, as each unit carries a lighter load
- Optional Rheem Remote Temperature Controllers can also be installed for added safety and convenience
- Remote Controller display for easy fault diagnosis and service

**The Rheem EZ Link® kit contains:**

- EZ Link® cable
- Cable clamps and mounting screws
